Myers Dawes Andras & Sherman LLP
19900 MacArthur Blvd., Ste. 1150
Irvine, California 92612
April 13, 2004

Commissioner:

On March 8, 2004, the Office mailed a Notice of Incomplete Nonprovisional Application to Applicant on an application which was filed on October 22, 2003. The Notice indicated that the application was deposited without drawings and requested filing of same and a newly executed oath or declaration.

Applicant believes the Office is in error in issuing this Notice, and further asserts that the entire application, including the drawings, is entitled to the filing date of October 22, 2003.

Six sheets of drawings (Figs. 1-10) were filed with the application on October 22, 2003 under an Express Mail certificate of mailing under 37 CFR § 1.10. Inclusion of the drawings was noted both on the transmittal letter and on our return postcard. The Office acknowledged receipt of all of the items by returning our postcard with an official label indicating application serial number and filing date. Copies of the fee transmittal, utility patent application transmittal, and confirmation postcard are enclosed herewith.

Notwithstanding, and in the interest of moving this application forward, Applicant is providing a replacement set of drawings, as well as a newly executed oath or declaration, in response to the Notice of Incomplete Nonprovisional Application. However, Applicant submits that, in view of the foregoing, the entire application be granted the October 22, 2003 filing date and that Applicant's \$130 petition fee be returned.

Please address all correspondence to Myers Dawes Andras & Sherman LLP, 19900 MacArthur Blvd., Suite 1150, Irvine, California 92612.
